Event Description

The 6th Africa Tech Summit Nairobi taking place live 14th – 15th February 2024 will connect tech leaders from the African ecosystem and international players under one roof.

Network with key stakeholders including tech corporates, mobile operators, fintech, Web3 ventures, investors, innovative start-ups, regulators and industry stakeholders driving business and investment forward.

The 2024 edition will host four tracks – the [Africa Money & DeFi Summit](#), the [Africa Climate Tech & Investment Summit](#), the [Africa Startup Summit](#) and [The Africa Mobile & App Summit](#) which drive interaction and a future line of sight across the track topics. The event connects over 1000+ industry leaders, 700+ companies, 150+ speakers via four tracks plus workshops, expo and multiple fantastic networking opportunities. Pre-register for tickets [here](#).
